Michelle,

Just checking in to see the status of your situation. Has it stopped and were you able to identify a subject?

John,
Thank you for your quick response. Howard Cantor, our Deputy Regional Administrator, the gentleman who made the opening remarks prior to your training last week, will be sending a memo to all employees. I incorporated the language you suggested.

Thanks again,

Michelle

Subject: Question

Hi John,

(b)(5) [Deliberative Process]

We also had someone leave feces in the hallway outside of the restroom on the floor where senior management offices reside.

Thanks, Michelle

Subject: FW: 7th floor toilet

We had another incident where someone stuffed a toilet in the women's restroom on the 7th floor so full of paper towels that it clogged the plumbing lines so bad it backed up both the men's and women's restrooms on the 7th floor to the point that the toilets in both restrooms overflowed. It took 2 building engineers 2 two cleaning staff members 30 minutes to rectify.

Subject: 7th floor toilet

Received a call from the front desk about the 7th floor rest room overflowing.

Allen, our Building Engineer took a picture of the problem. The problem was a toilet in the women's room stuffed with paper towels.

This caused both the men's and the women's restrooms to overflow.

This should be sent to HR Michelle Parker.

Thanks.
